

Men are better leaders
than women

Women are naturally more
emotional than men

Girls are better at
friendship than boys

The world is just as
dangerous for males as it is
for females

It is more acceptable for
women to cry than men

Girls like to talk more than
boys do

Women are better suited
to stay at home to raise
families than men

Girls are smarter than boys

Most CEOs are men
because boys are more
competitive than girls

Men are more powerful
than women

Very Strong

Very Weak
